

The Holly Fund

The Holly Fund was created in February of 2004 to help animals like Holly that are in need of extensive medical treatment. It covers often life saving surgery or things like Heartworm Treatment. CARA believes that every life is a treasure and even an animal with such a handicap deserves a chance to live.

If you would like to help, there are 4 ways you can donate to The Holly Fund:

- 1.) You can drop off donations at CARA's shelter each Saturday between 10am - 2pm. The shelter is located at 42 Deep River Rd in Sanford.*
- 2.) You can also mail donations to CARA. CARA's mailing address is:
CARA
PO Box 2642
Sanford, NC 27331-2642*
- 3.) You can donate via PayPal. (Please see our link below) In the "Payment For" line please specify "The Holly Fund"*
- 4.) You can visit any BB&T branch and donate money to Carolina Animal Rescue and Adoption, Inc. Simply tell the teller you would like to deposit a donation and ask that he or she notate on the receipt that the donation is for "The Holly Fund".*

Holly and her friends truly thank you.

We are currently in need of Heartworm Treatment!

Please help save our lives!
